## 1. Introduction

The webpage AgoraMedSpring hosts a rich variety of multimedia materials organised along different formats, including photo-galleries, video-archive, info-graphics, articles and publications. The following document lists a selection of multimedia material designed, produced, and published during the first 20 months of MedSpring project. For more examples of multimedia material, visit the webpage at: [www.agoramedspring.eu](http://www.agoramedspring.eu).

## 2. Selected examples of interviews (best practice)

The following are selected examples of interviews targeted at selected best practices across the Euro-Mediterranean region:

Combining theory and practice: interview with Pavlos Georgiadis (21 October 2013).

<http://agora.medspring.eu/en/content/combining-theory-and-practice-research-and-communication-professionalism-and-activism>

Refutrees, building creative, sustainable and green projects (7 October 2013).

<http://agora.medspring.eu/en/content/refutress-building-creative-sustainable-and-green-projects>

ICT is changing agriculture: interview with Simone Sala (13 May 2013).

<http://agora.medspring.eu/en/content/ict-changing-agricultural-production-different-levels>

## 3. Selected examples of «opinions»

The following are selected examples of opinions hosted in AgoramedSpring.

The journey of Communicating Science (25 July 2013).

<http://agora.medspring.eu/en/content/journey-communicating-science>

Egypt's new constitution sets a clear environmental outlook to the country (6 March 2014)

<http://agora.medspring.eu/en/content/egypts-new-constitution-sets-clear-environmental-outlook-country>

## 4. Selected examples of info-graphics

The following are selected examples of info-graphics:

EMEG: what is it? (10 April 2013).

<http://agora.medspring.eu/en/content/what-emeg>

Preliminary outcomes of the Open Consultation (18 June 2013)

<http://agora.medspring.eu/en/content/open-consultation-some-outcomes>

EMEG Open Consultation (08 May 2013)

<http://agora.medspring.eu/en/content/emeg-open-consultation>

A participative process (27 June 2013)

<http://agora.medspring.eu/en/content/participative-process>

We believe in your ideas, we support your project: 10 of you will make it! (14 October 2013)

<http://agora.medspring.eu/en/content/we-believe-your-ideas-we-support-your-project-10-you-will-make-it>

Water footprints around the Mediterranean (16 December 2013).

<http://agora.medspring.eu/en/content/water-footprints-around-mediterranean>

Cairo, Egypt 12-13 February 2014. And the selected ideas are...(December 2013)

<http://agora.medspring.eu/en/content/snapshots-training-h2020-marrakesh-morocco>

2nd meeting of the Euro-Mediterranean Expert Group (EMEG) focused on the Euro-Mediterranean policy dialogue on research and innovation (2 October 2014).

<http://agora.medspring.eu/en/content/snapshots-2nd-emeg-meeting>

## 8. Conclusion

Thank to the production and sharing of multimedia material, AgoraMedSpring has attracted an expanding network of connections. The co-production of material (i.e., interviews, opinions, video-interviews) serves also the purpose of building a more solid dialogue with civil society and stakeholders across the Euro-Mediterranean region.
