

**SELECTION PROCESS OPEN FOR A DISSEMINATION MANAGER AT THE INSTITUTE FOR ENVIRONMENTAL ASSESSMENT AND WATER STUDIES (IDAEA), SPANISH RESEARCH COUNCIL (CSIC)**

**LOCATION:** IDAEA-CSIC <http://www.idaea.csic.es>: C/Jordi Girona, 18-26 08034-Barcelona

**WE OFFER:** The possibility of integrating into a leading and multidisciplinary research centre to learn about the research being carried out, enhance its visibility and give support to its organization.

**JOB DESCRIPTION:** To promote IDAEA research on appropriate social media channels, news outlets and technical magazines, coordinating and organizing engagement activities with various stakeholders and the general public. It is expected that, as a result of these activities of the promoter-manager, the Institute's visibility, its activities and its scientific achievements will increase both at the national and international level. The ultimate goal is to enhance the impact of the centre activities on society and the productive sector. The Dissemination Manager will be responsible for summarizing all dissemination and communication activities in an annual report to record and assess the progress in the promotion of IDAEA research and its results. We ask for flexibility, excellent written and oral communication skills, and an enthusiastic commitment to promote the research being developed in this recently awarded Severo Ochoa Research Institute.

**CONTRACT DURATION:** Two years, with likely 2-years extension and the possibility of further extension depending on the success achieved.

**APPLICANT PROFILE:**

- ✓ Successful completion of higher education in Chemistry, Environmental Science, Geology, Biological Science, Pharmacy, Physics or other sciences relevant to IDAEA research work.
- ✓ Bilingual in English (Cambridge 1st Certificate or TOEFL or similar).
- ✓ Highly organised, efficient and capable of multi-tasking.
- ✓ Experience with social media channels such as twitter and in writing for a lay public
- ✓ Organizational skills and practical experience with outreach events
- ✓ Dynamic, positive personality with an excellent ability to communicate and work with professionals from different scientific disciplines.
- ✓ Proactive, self-sufficient, reliable, and friendly behaviour
- ✓ Strong teamwork and very good communication skills
